

"These fins are way over due ..."

-

"Outstanding design for a new fin. Very impressive how easy it is to lock and unlock them."

-

"This is a great fin. Powerful, comfortable, and most of all EASY TO WALK IN!"

-

"The Amphibian Stealth Fin is by far the most operationally effective swim and dive fin that can be worn when exiting aircraft during water jumps."

-

"The Stealth model rescue fins make entry and ascent significantly quicker and safer."

-

"What a pleasure it is to dive with these fins. No more straining the back while putting the fins on."

-

"This fin makes life a lot safer on crowded dive boats."

## TAKE THE NEXT STEP

The days of struggling with your fins are finally over. Strap on a pair of Amphibians™ and you will never go back to traditional fins. The durable Aqua-Hinge™ mechanism and highly efficient blade design provide an essential combination of performance and safety for scuba divers at all levels.
